---

Because the trial court erred in imposing a sentence outside the sentencing guidelines without stating on the record a basis for that departure, MCL 769.34(3), the Court orders that in lieu of granting the delayed application for leave to appeal, defendant's sentence of 17 to 48 months in prison is VACATED, and the matter is REMANDED for resentencing. If the sentence imposed on remand departs from the guidelines, the circuit court shall articulate on the record the reasons for that departure. We do not retain jurisdiction.
